## JONES IS AFTER "BUD" ANDERSON

WOLGAST'S MANAGER ASKS JACK  
KING TO ASSIST IN SECURING  
CONTRACT WITH THE NORTHERN  
BOXER

MEDFORD, March 6.—A tribute to  
the prowess of Bud Anderson, the  
Vancouver lightweight, has been paid  
by Tom Jones, manager of Ad Wol-  
gast, and Billy Papke, exchampions,  
and of ring exponents galore, who  
would like to pilot the Northwestern  
lightweight to the top of the 133-  
pound division.

Jones approached Jack King of  
Portland in San Francisco last Sun-  
day with an offer of \$500 and trans-  
portation to Los Angeles if Jack  
would use his influence in securing  
Bud's signature to a Jones manager-  
ial contract.

King declined to interfere in An-  
derson's affairs, as Dick Donald,  
Bud's manager ever since the Van-  
couver boy needed a business repre-  
sentative, is a warm personal friend of the  
Portland man.

However, Jones' activity, together  
with that of Ad Wolgast while the  
Cadillac youth was in Portland sev-  
eral weeks ago, indicates that both  
consider Anderson a prospective  
champion and a boxer who is destined  
to earn much money for himself and  
manager.

Wolgast had not been in Portland  
three days when he commenced to  
talk about Anderson and the chances  
of landing him in conjunction with  
Tom Jones, and when Bud knocked  
out Sammy Trott in six rounds, Ad  
requested King to telegraph for Bud  
to come to Portland to talk business.

King refused to mix in the affair at  
that time, and negotiations were not  
opened. Ad preferred to wait until he  
or Jones could have a personal talk  
with Anderson.

Wolgast and his wife and possibly  
Jones are due in Oregon for a week  
in the near future, regardless of the  
negotiations for a return fight with  
Murphy at San Francisco in April.  
Mrs. Wolgast was ill in San Francisco  
when King left, but Ad was busy  
checking up his bank account prepar-  
atory to issuing a check in payment  
for a tract of 1,400 acres of grazing  
land near Medford, five miles from  
the railroad. The little scrapper is  
already arguing about the variety and  
number of animals he will place on  
his ranch, and is also planning to  
lease an adjoining tract for a number  
of years.

King is much elated over the op-  
portunity Anderson has to meet  
Knockout Brown at Vernon on March  
15, and predicts that the Vancouver  
boy will score a knockout just as  
quickly as did Joe Rivers—in ten  
rounds.

## MONUMENT IS PERPETUATED

CITY ENGINEER REPLACES OLD  
BENCH MARK WITH IRON PIPE  
EMBEDDED IN A CONCRETE  
SHAFT

City Engineer Don J. Sumwalt has  
completed the work of replacing the  
stone bench mark on Conger avenue  
with an iron pipe, imbedded in con-  
crete set deep into the ground.

The bench mark was first estab-  
lished in 1878, and at that time mark-  
ed the northerly end of Conger ave-  
nue of the village of Linkville. The  
monument is the basis for all sur-  
veys in that section, and its preserva-  
tion was imperative. The new mark-  
er was ordered by the city council.

## TOMMY BURNS TRAINING HARD

CANADIAN SPORTS BELIEVE EX-  
CHAMPION WILL BE ABLE TO  
"COME BACK" WITH MUCH OF  
HIS OLD VIM

Special to The Herald

CALGARY, Alta., March 6.—Tom-  
my Burns, ex-champion heavyweight  
pugilist of the world, has gone into  
training here, and from a local view  
point there is every indication that  
Tommy will re-enter the ring and go  
after the title again. There appears  
to be an inclination on the part of  
Eastern papers to make fun of Tom-  
my's statement that he will go after  
the big fellows, and several well  
known sporting writers have even  
gone so far as to ridicule the idea.

If these sporting writers were in  
Calgary instead of thousands of miles  
away they might take a different  
attitude towards Burns' avowed in-  
tention of "coming back." The big  
fellow is working out daily at one of  
the local fire houses. With him he  
has several husky "white hopes" to  
whom he is utilizing for sparring  
partners. Tommy is neglecting noth-  
ing that is usually included in the  
category of a fighter in active train-  
ing for a contest, and above all, ap-  
pears to be in extremely good condi-  
tion.

Since his recent statement to the  
effect that he is willing to take on  
Luther McCarthy or any of the other  
big ones, Burns has not said much.  
Several important announcements,  
however, regarding his future pro-  
gram may be expected soon, and when  
they are given out the sporting world  
will know for a certainty whether or  
not the former champion will enter  
the squared circle again to regain the  
belt he lost to Jack Johnson in his  
famous Australian battle, December  
26, 1908.

## Causes Much Disease

Advice about Stomach Troubles  
and how to relieve them.  
Don't neglect indigestion, for it  
may lead to all sorts of ills and com-  
plications. An eminent physician  
once said that ninety-five per cent  
of all life have their origin in a  
disordered stomach.

Our experience with *Renall's Dyspepsia Tablets* leads us to believe  
them to be one of the most dependable  
remedies known for indigestion and  
chronic dyspepsia. Their ingredi-  
ents are soothing to the inflamed  
membranes of the stomach. Rich  
in Pepsin and Bismuth, one of the  
greatest digestive aids known to  
medicine, the relief they afford is  
very prompt. Used persistently and  
regularly for a short time, they tend  
to relieve pains caused by stomach  
disorders.

*Renall's Dyspepsia Tablets* help  
insure healthy appetite, aid diges-  
tion, and promote nutrition. As  
evidence, our faith in them, we ask  
you to try them at our risk. If they  
do not give entire satisfaction, we  
will return the money you paid us  
without question or formality. Three

grant balm dissolves by the heat of  
the nostrils; penetrates and heals

which lines the nose, head and  
throat; clears the air passages;  
stops nasal discharges and a feeling  
of cleansing, soothing relief comes  
immediately.

Don't lay awake tonight strug-  
gling for breath, with head stuffed;
